

Processmap: Checklist for Checklists, Step: Validation, Checklist: Checklist

- 1 ☐ Have you Tried the checklist with front line users? (either in a real or simulated situation?)
- 2 ☐ Have you Modified the checklist in response to repeated trials?
- 3 ☐ Does the checklist:
 - ☐ Fit the flow of work?
 - ☐ Detect errors at a time when they can still be corrected?
- 4 ☐ Can the checklist be completed in a reasonably brief period of time?
- 5 ☐ Have you made plans for future review and revision of the checklist?
