Processmap: Checklist for Checklists, Step: Validation, Checklist: Checklist

1 ☐ Have you Trialed the checklist with font line users? (either in a real or simulated situation?)

2 ☐ Have you Modified the checklist in response to repeated trials?

3 ☐ Does the checklist:

      ☐ Fit the flow of work?

      ☐ Detect errors at a time when they can still be corrected?

4 ☐ Can the checklist be completed in a reasonably brief period of time?

5 ☐ Have you made plans for future review and revision of the checklist?
